

## Philosophy

Industrial Performance bases its business philosophies on Honor and Integrity. We will accomplish this through the loyalty of our people, providing a safe workplace, respecting the environment and continual improvement. IP delivers high-performance specialty coatings services on-time, high-quality work and with outstanding customer service. Our mission is to earn the trust and loyalty of our customer.

## Safety

It is the policy of Industrial Performance, that each and every one of our employees is entitled to work in a Safe and Healthy Environment. Supervisors, Department Heads, and Employees at all levels of IP workforce are directed to make Job Safety a matter of the out most importance when performing any company operations.
